

HUNGRY AUNT

- Hello, hello, my dear aunt
For breakfast, what do you want ?

- I want eggs and bacon
And also beans for more fun

You have to go at the grocers
It's next to the bucher
In front of the library
Turn to the left, it's easy !

- Hello, hello, my dear aunt
For the brunch, what do you want ?
- I want cheese and fruit salad
I'm very hungry, my bad !

Run to the supermaket
Go straight away, cross the gate
In front of the pharmacy
Next to the old bakery.

- Hello, hello, my dear aunt
For the lunch, what do you want ?
- I want fish and chips if you can
And a cheesecake, I'm fan !

Listen carefully your aunt :
Go to the big restaurant
Behind the fire station
Just after the train station.

- Hello, hello, my dear aunt
For tea time, what do you want ?
- I want a hot Earl Grey, with milk
And a lot of chocolate cookies

Go to the neighbor of your mum
Turn to the right at the hospital
Cross the street of the Music hall
Between the bank and the museum

- Hello, hello, my dear aunt
For dinner, what do you want ?
- I want a big and fat Hamburger
And an apple pie for dinner

Sorry, Sorry, it's too much
A coffee will be enough
Calm down, dear aunt, stop eating
Or you gonna exploding !

Enjoy listening !
