

# SCHOOL IS FANTASTIC

We learn Science with Mister Hanry  
We love art and vocabulary  
We like to recite original poetry  
Mister Hanry is very sporty

My schoolbag is magic  
My pencil sharpener  
is sharpening my finger  
My diary is eating  
my yellow highlighter  
My pens are writing on my glue stick

We learn english with Mrs Bes  
We write songs and we play games  
She's teaching us geography  
History is full of mystery

My schoolbag is magic  
My pencil sharpener  
is sharpening my finger  
My diary is eating  
my yellow highlighter  
My pens are writing on my glue stick

My schoolbag is magic  
Morning, my pencilcase  
Talks to me  
Evening, my scissors  
Cuts my diary  
Everyday at school is fantastic

*Enjoy listening !*
